

17.05.2016

CERLER Global Electronics, a company dedicated to the assembly of electronic products based in Calle de los Ángeles, 17, 50196 Zaragoza, Spain, certifies that is the official manufacturer and assembler for the Product Analyzer DrugSIP.

And for the record,

A handwritten signature in black ink, appearing to read "Pedro Mora Martínez", written over a horizontal line.

**Pedro Mora Martínez**  
Director Comercial  
**CERLER Global Electronics**
