15 drivers have been arrested for drunk driving or driving without a license. The traffic police gave more numbers on the matter.

56 driving licenses have been suspended, for driving under the influence of alcohol, speeding beyond permitted rates and for other violations of the Highway Code.

559 vehicle drivers were punished with administrative measures for using mobile phones while driving.

348 drivers were punished for not giving priority to pedestrians walking on white lines.

542 drivers were punished for not wearing a seatbelt, while 175 administrative measures have been imposed for failure to wear protective helmets by motor vehicle drivers.
